

Our Assurances

Reliability indeed has been one of the strengths of our decent standing. While retaining our strong roots as a professional and competent team, we are engaging in the process of polishing our existing image. We have been active in the crew manning business, and are proud to mention that we have some of the biggest clients for whom we have been successfully providing with competent & skilled Myanmar officers and ratings, assuring them that our seafarers are reliable assets to their establishments. We also earn acclaim for our competent service that cost them nominal fee.
